## WORK HISTORY

**Product Builder**, 03/2016 to Current

***Zimmer Biomet*** - Oranmore, Galway

I display many of the company behavioral standards on a daily basis by taking ownership and by doing the right thing. Through a standard day over one hundred processes units designed to be placed in the human body are created and verified by me before they can pass to the next stage in the cycle. I take this responsibility very seriously. I strive to get it right the first time every time. I have a good reputation for attendance and job performance. I have exceptional attention to detail with I highlight any issues to the Quality department or to my supervisor.

**Production Operative**, 04/2010 to 03/2016

***HID Global*** - Indreabhán, Galway

In this company, I was involved in the production of valuable documents such as magnetic access cards and passports of many countries. I was also part of the team starting new products. In this work, it was important to pay attention to quality standards as well as to follow production procedures
